FOR IMMEDIATE RELEASE

FULL CLOSURE ON NORTHBOUND I-215/SR60 SET FOR CONTINUED WORK ON CONNECTOR RAMP

Riverside – Caltrans will close all northbound lanes of the Interstate 215/State Route 60 Freeway near the University of California, Riverside beginning at Blaine Street to the 60/91/215 Interchange on September 6 through 8 between the hours of 9:30 p.m. to 4:30 a.m. each day.

The closures are called in order to build the falsework on the 1.2-mile freeway-to-freeway connector ramp from the I-215/SR60 freeway to westbound State Route 91. All southbound lanes of the I-215/SR60 will remain open during this closure.

Northbound motorists will be directed to Martin Luther King Blvd. and back onto SR91 to detour the closure. Motorists who use the westbound State Route 60 will be directed to use Blaine Street to Iowa Avenue and Columbia Avenue then back to I-215. Detour signs will be posted.

Caltrans reminds all motorists to use extra caution when driving through construction areas. Please remember to be alert and always make a point to ***SLOW FOR THE CONE ZONE.***
